

# GROWTH HACKING TOOLS FOR MARKETERS AT STARTUPS

NEILPATEL

[neilpatel.com](http://neilpatel.com)

## 1. PO.ST – DROP COOKIES ON URL SHORTENED LINKS

It's free and easy to shorten links and share them anywhere on the Web. You can shorten any link.

**Pricing:** This is integrated into Radiumone advertising platform, no pricing is listed, you need to contact them for pricing.

## 2. CLICK TO TWEET – TWITTER MARKETING

Click to Tweet is an easy way to promote your product/service on Twitter.

It works just like it sounds.

**Pricing:** Free

## 3. SNIPLY – ADS ON LINK SHARING

Snip.ly allows you to put an ad on any news story link you share.

**Pricing:** Free up to 100 conversions a month. \$16 for up to 500 conversions. \$85 for up to 5000 conversions.

## 4. KINGSUMO – A/B TEST FOR ARTICLE TITLES

This wordpress plugin absolutely rocks! The plugin automatically chooses the title which will get the most clicks for your blog post.

**Pricing:** \$99 for life for up to 50,000 visitors a month. \$499/mo for up to 500,000 visitors.

## 5. SUMOME LISTBUILDER – EMAIL COLLECT FORM

ListBuilder is probably the most popular of all the tools in the bundle, it lets you convert these one-time visitors into lifelong readers and newsletter subscribers.

**Pricing:** Free

## 6. SUMOME SCROLLBOX – EMAIL COLLECT POP UP

Scrollbox lets you pop up a message asking your blog readers for an email address when they are nearly done enjoying your content.

**Pricing:** Free

## 7. SUMOME LEADS – EMAIL COLLEGE FOR GIVEAWAYS

Leads from Sumome is the easiest way to give out bonuses or resources such as downloadable PDFs or other documents in order to turn your visitors into leads.

**Pricing:** Free

## 8. SUMOME TWILIGHTER – MAKE TEXT TWEETABLE

The tool grows your traffic by making sharing easy. Visitors to your website or blog can easily highlight any part of your content and share it immediately on Twitter.

**Pricing:** Free

## 9. SUMOME IMAGE SHARER – EASY WAY TO SHARE IMAGES

This plugin makes easy for blog readers to share images from the blog posts.

**Pricing:** Free

## 10. VERO – AUTOMATED AND USER-TRIGGERED EMAIL CAMPAIGNS

In general it helps you send highly targeted emails based on customer behavior. You can of course A/B test your emails and use analytics to see which emails are performing the best.

**Pricing:** They have a free 14-day trial and plans start at \$99/mo

## 11. BOUNCE EXCHANGE – CONVERSION POP UPS

Bounce Exchange is pretty simple concept, it helps you turn abandoning site visitors into customers by inviting them to convert with a pop up right before they leave your site.

**Pricing:** they do customized pricing based on visitor volume, plans start at about \$4K/month

## 12. MARKETO

Marketo offers a suite of tools that cover marketing automation, email and campaign management and analytics.

Pricing varies across Marketo's four main products

## 13. MAILCHIMP

MailChimp has been one of the most popular email marketing tools for years, especially with companies who are just getting started with list building.

## 14. TRIBEBOOST – TWITTER FOLLOW TOOL

You let them take over your Twitter account and tell them what types of people you want as followers and just sit back as your followers grow.

**Pricing:** \$119/mo with a two week free trial

## 15. INFUSION SOFT

The only all-in-one automated sales & marketing software built exclusively for small businesses.

**Pricing:** Prices are not listed on the website, but [reviews](#) say that plans start at \$199.00/month

## 16. FAMEBIT – YOUTUBE MARKETING

FameBit connects brands with influential “YouTube Stars” to create original video content that is shared with their thousands to millions of engaged viewers.

**Pricing:** The cheapest is \$100/video but it goes up from there.

## 17. KLAVIYO

Klaviyo hooks into your customer data to send personalized, automated and effective newsletters and targeted emails.

**Pricing:** Basic free plan, then paid plans starting at \$25/month

## 18. GETDRIP – MARKETING AUTOMATION

The way they presented it on the site was “Lightweight Marketing Automation That Doesn’t Suck” which got me curious. Most marketing automation tools.

**Pricing:** Trial for 3 weeks, then \$49/mo.

## 19. BUZZSUMO – FIND MOST SHARED ARTICLES

Buzzsumo is pure awesome sauce and it’s free! Enter any term into it’s search and the tool spits out the most shared articles on social media on the topic you entered.

**Pricing:** Free

## 20. HELLOBAR – NOTIFICATION BAR

The tool allows you to setup the an email collection or a redirect depending on what you’d like to do.
